Executive Post Graduate Diploma in Personal Finance

# About Parul University

Situated at the heart of the cultural capital Vadodara, Gujarat, Parul University is a testament to the fusion of rich cultural heritage, history and the contemporary 21st Century. Since its inception in 1993 to its recognition as a university in 2015, Parul University has emerged as one of the largest and leading academic institutions. A hub of innovation, research, entrepreneurship and industry linked education.

## About Executive Development Programs

Executive Development Programs (EDPs) are essential for empowering, industry leaders, managers, and executives with advanced knowledge, strategic insight, and leadership skills. These programs serve as a bridge between academic learning and practical challenges, equipping professionals to navigate evolving market dynamics and drive organizational success.

## About Financial Freedom Fraternity Professionals (FFFP)

Financial Freedom Fraternity Professionals (FFFP) is a platform that helps mutual fund and financial professionals grow through learning, collaboration, and ethical practices. It offers training programs, certifications, conferences, and practical tools like financial simulations to build real-world skills.

FFFP focuses on continuous learning, knowledge sharing, and professional growth while helping advisors serve investors better. It is more than a network—it's a community built on trust, learning, and the goal of achieving financial freedom.

# Executive Post Graduate Diploma in Personal Finance

Building Expert Financial Advisors for a Complex World

## ABOUT THE PROGRAMME & OBJECTIVES

Designed for working professionals who lead with advice

The E-PGDPF equips finance professionals with expertise across investments, insurance, retirement, behavioural finance, and digital advisory – through a blended curriculum guided by industry mentors and real-world simulations. Offered by Parul University EDP Cell (NAAC A++) with the Volatility Game methodology embedded through Corporate Partner FFFP.

### Programme Objectives

Foundational Mastery: Securities markets, mutual funds, financial modelling, insurance, retirement & estate planning

Regulatory & Ethical Grounding: SEBI, RBI, IRDAI, PFRDA guidelines, fiduciary duties & client-first ethical standards

Behavioural & Digital Dimensions: Address behavioural biases; leverage fintech, robo-advisory & data analytics

Advisory Competence: Goal-based, tax-efficient, risk-calibrated financial plans using modern tools & Volatility Simulation

Practice Readiness: Client relationships, compliance, personal branding & practice development as a modern MFD

#### Online Learning – 400+ Hours

Blended / hybrid format across 2 semesters. Live sessions, recorded content & free self-paced certificates. Flexible scheduling designed for working professionals – no career disruption.

#### Two Capstone Projects (one per semester)

Industry-evaluated advisory scenarios integrating all semester learning. Mentored by Corporate Partner FFFP and assessed by senior financial practitioners.

#### 2-Day Residential Campus Immersive – Parul University, Vadodara

Residential intensive on the 250-acre campus. Hands-on case studies · Volatility Game workshops led by FFFP mentors · Business talks by ecosystem leaders · Peer networking & capstone presentations · Access to Parul startup incubation ecosystem.

#### Graduation Ceremony – Campus One Day

Formal in-person conferral on Parul University campus. Full university alumni status conferred. FFFP community induction included.

#### PROGRAMME FEE

# ₹1,10,000

+ GST as applicable
